

CHILD ABUSE PREVENTION PROCEDURE

Child Abuse Prevention Procedure Purpose

The purpose of the Macon Worship Center (MWC) Child Abuse Prevention Procedure is to assist us in providing a caring, safe, and secure environment for children in all phases of church life. MWC desires to be a safe zone for all children and adults who attend our services, or any church-related activity. MWC recognizes there are individuals in the world who do not conform to the values of our church or scripture, and they victimize children. Although no organization or individual can assure complete protection, the MWC Child Abuse Prevention Procedure aims to prevent any occurrence of child abuse.

Definitions

In this procedure, the following definitions apply: **Adult**—Any person aged 18 or older. - **Child or Youth**: Any person under the age of 18.

Child Abuse: Child abuse refers to an act committed by a parent, caregiver, or person in a position of trust (even though he/she may not care for the child daily) which is not accidental and which harms or threatens to harm a child's physical or mental health or welfare. The law typically uses the following definitions and explanations in determining whether abuse of a child has occurred.

Physical Abuse: A physical injury, threat of injury, or creation of a real and significant danger of substantial risk of death, disfigurement, or impairment of bodily functions. Such injury or threat of injury, regardless of intent, is inflicted or allowed to be inflicted by non-accidental means. Examples: asphyxiation, bone fracture, brain damage, skull fracture, subdural hematoma, burns, scalding, cuts, bruises, welts, abrasions, internal injuries, poisoning, sprains, dislocations, gunshot, and stab wounds.

Physical Neglect: The failure to provide food, clothing, shelter, or supervision for a child if the child's health or safety is endangered. Physical neglect may include multiple occurrences or a one-time critical or severe event that results in a threat to health or safety, such as a toddler left alone. Other types of neglect include abandonment, inadequate supervision, inadequate clothing, inadequate shelter, inadequate personal hygiene, inadequate food, and malnutrition.

Sexual Abuse: Abuse that consists of sexual contact or interactions with a child, including physical contact (fondling, sexual intercourse) and nonphysical contact (exhibitionism, child prostitution, pornography, voyeurism).

Mental Abuse/Neglect: A pattern of acts or omissions by the caretaker that result in harm to a child's psychological or emotional health or development.

Corporal Punishment: Any punishment applied to the body but not limited to slapping, spanking, pinching, pulling, or squeezing.

Church Worker: Any non-compensated individual who works with children at any church-sponsored activity.

Mandated Reporter: Any person with responsibility for the care of children is a mandated reporter. Mandated reporting is the **early recognition** of child maltreatment to prevent further abuse from occurring. Many

CHILD ABUSE PREVENTION PROCEDURE

mandated reporters have professional relationships with children that make it possible for children to disclose abuse or for the mandated reporter to identify maltreatment. If the pastor or church staff fail to act on the report, the designee shall make the report to law enforcement.

Reasonable Suspicion: means that there is credible evidence or a discrepant or inconsistent history in explaining a child's suspected abuse. A report based on reasonable suspicion does not require proof that abuse, or neglect has occurred or that the reporter witnessed the incident in question. Reporting is not a determination that child abuse or neglect has occurred; rather, it is a request for an assessment of the condition of a child

Reducing the Risk of Child Abuse

To create the safest possible environment within Macon Worship Center, several abuse prevention measures will be used. These measures include screening all church workers for past child abuse convictions or expungements, provision for regular training on child abuse issues to members, use of the two-adult rule, standards for appropriate classroom discipline, and open classrooms.

Church members who are also workers with children must have been members (of good standing) of **Macon Worship Center** for at **least six months** prior to the time they begin serving with children in church-sponsored activities. There is an exception to the six-month guideline.

1. **Staff Screening**—The following procedures reflect Augusta Worship Center's commitment to providing protective care for all children and workers who participate in church-sponsored activities.
2. All church workers must complete the following procedures before participating in any church-sponsored child/youth activities:
 - a. Complete a standard application and disclosure form, including two references.
 - b. Participate in an interview conducted by the staff person responsible for the area of ministry.
 - c. Complete orientation/training activities appropriate to the level of the worker involvement.
 - d. Sign a written acknowledgment stating they have received and reviewed a copy of the Augusta Worship Center - Child Abuse Prevention Policy.
3. No adult members of the congregation who have been convicted of a crime against a child or a violent crime against another adult, will provide services in any church-sponsored activity or program for children or youth.
4. All church workers are subject to background checks to obtain information regarding criminal history or child abuse findings.
5. Applications and the results of any screening will be kept confidential by authorized church staff.

Nursery workers will be assigned in teams of two or more. Christian education instructors for youth classes will be assigned in teams of two or more or observed via a classroom monitor.

When a church-sponsored children's youth group has both male and female participants, both male and female adult sponsors must also be present.

Classroom/ Nursery/Toddler Discipline: If a child is behaving inappropriately, the teacher or worker should:

1. (Unsure about methodologies used to deal with inappropriate behavior and children)
2. If inappropriate behavior continues, the child may be placed at a table to work alone away from the other children
3. If the child's disruptive behavior continues after these steps have been taken, the child must be taken to the parents.
4. No corporal discipline or verbal abuse, e.g., ridicule, are to be used at any time.

CHILD ABUSE PREVENTION PROCEDURE

Open Classrooms—Classrooms or childcare rooms will be visited without prior notice by church staff, parents, or other church workers. Assigned teachers will conduct brief observations of childcare rooms and classrooms of children or youth during youth Christian education and other meeting hours to the extent possible.

1. Be at least 18 years old.

5. Never be alone in a vehicle with a child **not his own**.

Gifts—No church members are to give personal gifts to individual children or young people without the prior knowledge of the parent(s) or responsible leadership. Because gift-giving can be a form of buying loyalty or silence, gift-giving should be done on a group basis, or for special occasions only. Gifts may not be elaborate but should be modest and appropriate to the occasion.

Overnight Trips—In situations where church members are taking children or young people out of the area for long periods or overnight trips meetings are to be carefully planned. Only known, proven staff will be permitted to sponsor/chaperone the trips. New church members may be used as additional sponsors but shall not be left alone with the children or young people in a situation where there are no other staff to observe. **In no circumstance will one adult be allowed to take children or youth on an overnight outing.**
